RULES OF PLAY:

FIFA Laws of the Game will apply as modified by USYSA and WYS as described herein.

All 7 v 7 and 9 v9 games will be played using the guidelines set by WYS mandated player development initiatives (the modifications are detailed below)

7 V 7 games: U9 (2014), U10 (2015)

Deliberate heading is not allowed in 7v7 games. If a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

Build out line:

When the goalkeeper has the ball in his or her hands during play from the opponent, the opposing team must move behind the build out line until the ball is put into play.

Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into play (punts and drop kicks are not allowed).

After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal.

The opposing team must also move behind the build out line during a goal kick until the ball is put into play.

If a goalkeeper punts or drop kicks the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt or drop kick occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

The build out line will also be used to denote where offside offenses can be called. Players cannot be penalized for an offside offense between the halfway line and the build out line. Players can be penalized for an offside offense between the build out line and goal line.

To support the intent of the development rule, coaches and referees should be mindful of any intentional delays being caused by opponents not retreating in a timely manner or encroaching over the build out line prior to the ball being put into play. Coaches are responsible for addressing these types of issues with their players. Referees can manage the situation with misconduct if deemed appropriate. Referees should be flexible when enforcing the 6 second rule and counting the time of possession should only begin when all opponents have moved behind the build out line.

Punting or drop kicking the ball by the GK is **NOT** allowed.

Substitutions are unlimited and can occur at any stoppage (at the discretion of the referee).

9 v 9 games: U11 (2013)

Deliberate heading is NOT allowed in 9v9 games for the U11 (2013) birth year games. If a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

11U **will** utilize the build out line- See details above

*A Coach or Team Manager of any player (or Coach) sent off must report to the Tournament Director or any member of the Tournament Committee (located at the Tournament Trailer on 60 Acres) within sixty minutes of the completion of the match.

*The referees shall file a misconduct report with the Disciplinary Committee, who shall review the report and may at their option increase or decrease the suspension in accordance with WSYSA guidelines.
