

Player Registration Policies

Crossfire Select has policies covering the following areas: payment information, payment plans, scholarships, players transferring in from another club, guest players (for tournament play), refund policies when a player opts to leave the club and uniform/kit policies. All of these are detailed below:

Payment Policies: Payment is due at the time of registration. We strongly encourage full payment, but payment plans are available (see below). All players must register by June 1st 2020 and before they can begin practicing with the team. Please contact the club registrar with any questions.

Payment Plan: A schedule of progressive payments is available. Participating in the automatic recurring payment plan is voluntary. If you chose to use the automatic recurring payment plan, you will make an initial payment at time of registration and then four additional payments will be completed on the 25th (twenty-fifth) day of each month thereafter using the debit or credit card you provided during your registration. If you chose to use the automatic recurring payment plan, you acknowledge your agreement to the terms and policies of the automatic recurring payment plan and authorize LWYSA to automatically charge the debit or credit card you will provide during the registration process to complete required monthly payments. The debit or credit card information is not stored in any database or on any service utilized by the automatic recurring payment plan. I understand that a \$30.00 late fee may be assessed for any payment that is not made on the 25th (twenty-fifth) day of each month that a payment is due if the automatic recurring payment plan is selected for payment of registration fees. Upon commitment to a team, you become financially responsible for the total Club fee. Delinquent or failed payments can be cause to revoke the player's eligibility.

Scholarships: Scholarships are available to qualified candidates. There is a required commitment fee for all applicants. More information and application form is available on the Crossfire Select website.

Transfers & Late Adds: Players transferring or joining after tryouts will be assessed pro-rated club fees. A flat fee will be charged for players joining for state cup participation only, and that amount is determined annually.

Guest Players: Teams can utilize guest players for tournaments without the player incurring club fees. If a player participates in more than 2 weeks of practice and/or 2 tournaments, they then must be offered a spot on the team and register with the club and pay the corresponding fees.

Transferring or leaving the Club: Players will not be released from Crossfire Select unless all Club fees are current and team fees are up to date at the time of the request. Players with a season ending injury *may* be eligible for a refund with the amount to be determined on a case-by-case basis when that request is made during the course of the season in which the injury occurred. Players moving more than 50 miles during the season are eligible for a refund with the amount to be determined. Please complete the Player Release form on the website.

Uniforms / Kits: All players are required to purchase uniforms and training apparel every two years, per their teams' purchasing schedule. All NEW players to Crossfire Select are required to purchase a kit. ALL RETURNING players are required to purchase based on their teams' kit requirements. All items are purchased on-line and shipped directly to the family from Soccer.com. Further details and complete information concerning the ordering process will be provided by your Team Manager, Uniform Coordinator and will also be available on the Crossfire Select website.
